## POLISH MUSEUM OF AMERICA PROJECT DONATION FORM

### SABINA LOGISZ MATCHING FUNDS DONATION

The Polish Roman Catholic Union of America (PRCUA), headquartered in Chicago and the oldest Polish American fraternal benefit society, has established a Matching-Money fund to benefit the Polish Museum of America, called the **Sabina Logisz Development Fund**, in honor of Sabina Logisz, a retired PMA and PRCUA employee who worked for both of these institutions for 67 years!

For each dollar donated, the PRCUA will donate 50¢ to the PMA, up to a total of \$20,000 per phase of development. Contributions to this Fund are used strictly for development and renovations, not for salaries or budgeted items.

### SAVE THE BOOKS and ADOPT A BOOK PROJECTS

The PMA has two proactive programs, one to preserve rare old books in our collection by having them re-bound (**Save the Books**), and the other to buy significant new books (**Adopt a Book**). This is a costly endeavor.

The museum budget is very limited and does not cover this important preservation effort, therefore we are turning to you for assistance. It is beneficial that the PMA has such precious books, however their preservation is equally important.

By donating to **Save the Books**, your name—and the name of anyone you dedicate the book to—will go on a dedication label that will be placed in the book and be listed in our newsletter. This is a wonderful way to honor or memorialize a loved one. The cost for preserving just one book is \$55 or more, depending on condition; pamphlets are \$30 and up.

**Adopt a Book** works similarly. By donating \$50 or more (depending on the book) a significantly important book will be purchased in the donor's name and a label will be placed in the book indicating the donor and the person the book is "in honor of" or "in memory of."
