Dear Mr. Lorys,

On behalf of the Board of Directors of the Ukrainian National Museum, please accept our deepest sympathy on the profound loss of President Lech Kaczynski and First Lady Maria Kaczynska. We are also saddened at the tragic deaths of the delegation that was traveling with them to commemorate the 70th anniversary of the Katyn Massacre.

Our thoughts and prayers are with the Kaczynski family, the loved ones of those killed in this tragic plane crash, the Polish nation and with Poles worldwide.

Sincerely,

Lydia Tkaczuk
Vice President
